

BEECORP CONSULTING

FORMERLY - AURO ACE
MANAGEMENT PVT LTD

30 years of trusted HR leadership

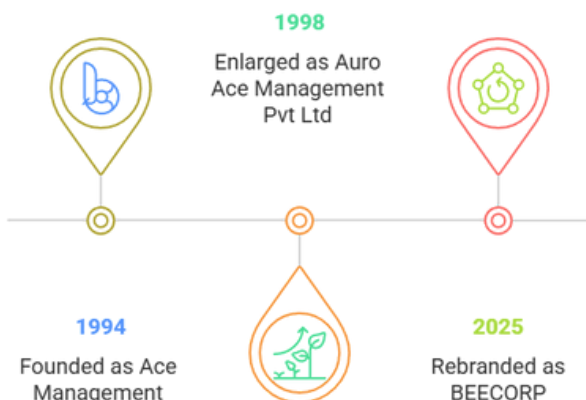

“Empowering growth through
competent talent alignment”

“Highly passionate to
identify and place
matchless talents to our
clients”

Our Essence

Like a beehive thrives on the collective strength of its colony, BeeCorp builds powerful teams for your business. We meticulously identify and place exceptional talent that will pollinate your company's growth, drive innovation, and ensure a fruitful future.

A Legacy of Excellence

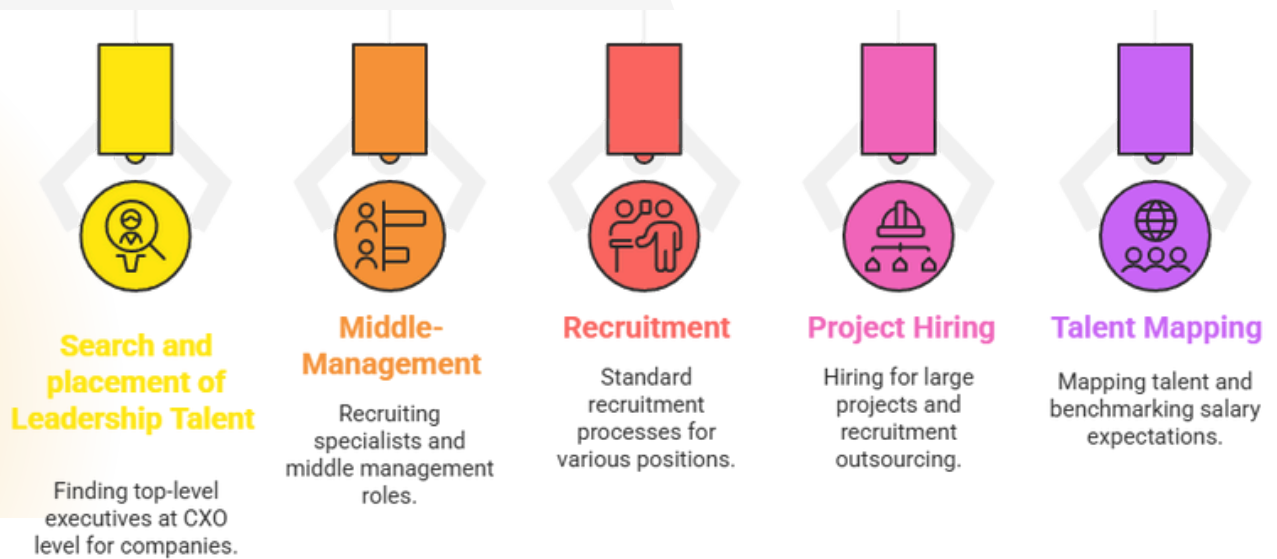

Proven Success & Unmatched Reach

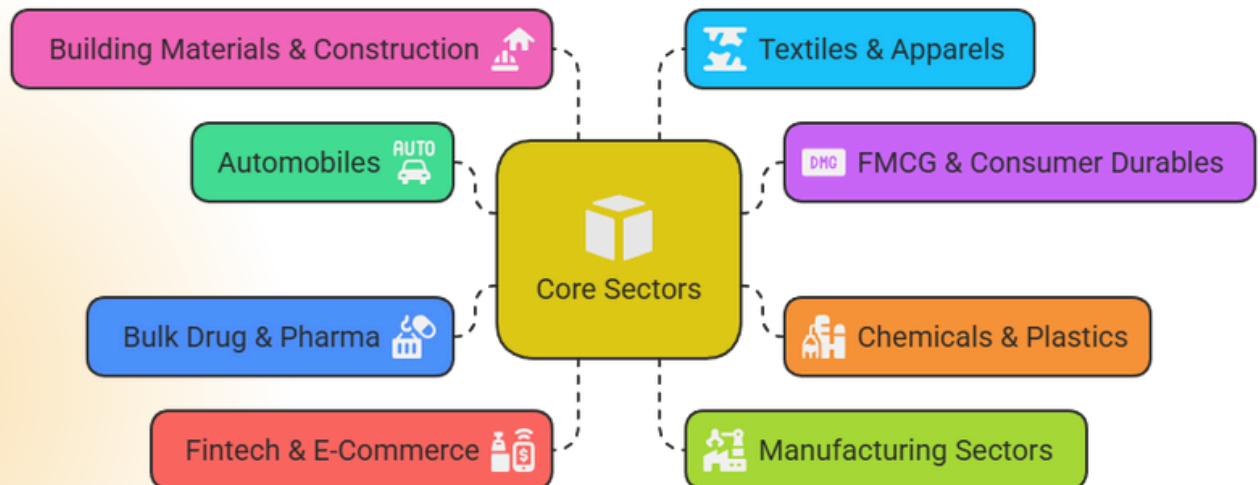

Over the years, we have grown in India and Overseas as a trustworthy organization without any compromise to ethical standards.

Recruitment Services

Core Sectors

-Our Signature Methodology

The BEE Framework

Benchmark: We conduct a deep-dive into the role, responsibilities, and cultural fit to create a precise search blueprint.

Engage: We perform curated outreach to our extensive network, engaging both passive and active talent with your opportunity.

Empower: We deliver data-driven shortlists and orchestrate the entire process from interview to successful offer closure.

Relationship

Keen Association
Eager to collaborate with the organization

Cherishing Relationships
Valuing and nurturing client bonds

Nostalgia
Reflecting on past successful collaborations

Partnering with BeeCorp
